

Non-HUD members of the Negotiated Rulemaking Committee recommend HUD establish a joint task force that includes Tribal and HUD representatives to develop a methodology to collect operating cost data from IHBG recipients in a consistent and accurate manner that could be used to adjust for local operating costs in the adjustment to the operating subsidy under the current assisted stock portion of the formula (i.e. replace the current factors under section 1000.320(a)). Non-HUD members recommend that resources other than IHBG funds be made available to fund technical experts and task force members and other costs that may be identified.
